Dear Rebecca:

On behalf of all of the girls we serve, thank you for your generous donation of \$4250.00 and for partnering with us to provide girls with the safe and nurturing environment that they so desperately need.

Today, girls are faced with more pressures and mixed messages than ever before. However, though every girl struggles with questions of identity and self-confidence, Girl Scouts empowers girls to work through these questions, be true to their individuality, and discover their full potential. Because of donors like you, we are able to serve nearly 29,000 girls across our 18 county service area. This past year donor support helped:

Subsidize:

- Council program events and trainings for over 21,000 girls
- The costs of programs at Camp Menzies for almost 1,000 girls
- Programs for training new leaders with the skills to most effectively lead girls

Provide:

- Financial assistance for things like membership and registration fees, program materials, and uniforms for almost 10,000 girls
- Financial assistance for dues, leader guides and age level handbooks, and training fees for adults

This year we plan to increase our membership and provide expanded support throughout our council area. Your donation will help us meet that goal and your support truly makes a difference. Thank you!

Sincerely,

Pamela G. Saltenberger
